**This pricelist is uploaded monthly. Due to the frequently
fluctuating dollar, prices are subject to change at any time.**

**We have all current models of most brands and equipment in stock
all the time and all the parts to suit your size and poundage. Don't
be misled into thinking you have to order and wait several weeks for
your bow or equipment. That is not the case.**

**We now indent bows from PSE, Bear and APA Direct.
Archery Equipment WA is proud to be the Australian Distributor for
APA Bows and Equipment.**

**Please note NO manufacturer gives any warranty on bows
purchased through the internet – if you are not experienced
with your equipment, please think carefully about purchases
and where you make them. If you make the wrong choice,
don't know how to put it together or there is a fault, you will
not be able to return it and then a “cheap” deal is no longer
a bargain.**
